Prices based upon 'fine art roll media calculations 15_03_11.txt'

SET-UP PRICES:

ECONOMY... £30*

An attractive copy of the supplied artwork, however there will be no colour matching process. This level of service is fine when colour accuracy is of less consequence

STANDARD... £45*

Colour matched to the artwork until we are happy that we can produce a reasonably close reproduction. This level of service is fine when precise colour accuracy is of less consequence

DELUXE... £60*

Final print is as close as possible a perfect reproduction of the artwork. This level of service is recommended for prints made for retail

* There is an additional surcharge of £5 if the artwork is to be printed on German Etching, and a £10 surcharge for Lyve Canvas

If the set-up artwork is to be burned on a DVD, there is a charge of £10 for this service.

SCANNING PRICES:

First scan.....included in set-up
Additional scans and stitching..... £5 each

If the scanned artwork is to be burned on a CD, there is a charge of £1 for the service.

PRINTING PRICES:

All dimensions given below appertain to the size of the printed image - not to the paper it is printed on. The conversions between units of measurement are: 1" = 2.54cm; 1cm = 0.39"
